TEST --- at High Schools

Take home tests are available if you have to be absent on a Sunday – ask for details on how to complete at home and get score sheet sent for scoring.

Course offerings: 20 hours of instruction-based upon the 6 page detailed report that is given for your child after every practice test. 4 practice tests with a 6 page report after each. Personalized instruction and specific strategies on how to be successful taking the ACT TEST. Private consultation for each student.
