

Prayer of Confession

L: God of the Other,

P: We say to you that we cannot remember the last time we listened, truly listened to the Other and sought understanding, let alone see the childlike glory in another's spirit.

L: We come forward to say that starting today,

P: We change by becoming more present in our interactions with all of your creation and we hold no judgement and cast no shame on someone trying to exist in this cold complicated and beautiful world.

Words of Grace

L: We are indeed a Beloved Community capable of working towards collective flourishing for it is bright as crystal flowing from the throne of God.

P: We are the light and let us shine brightly as we accompany others to abundance and collective freedom.
