

Parrott Talk

Dear Friends,

There is a lot of great news to share with you! First, our daughter Lindsey and Kevin Dennis are getting married in Orlando, Florida on May 13, 2012. Kevin leads the Campus Crusade for Christ ministry to the 8,000 interns at Walt Disney World. As you can imagine we are knee deep in wedding plans but we couldn't be more thrilled for Lindsey and Kevin!

On the grand parenting side we now have two incredible grandsons: Isaac and Jordan. Jordan just had his one year birthday on March 7th and Isaac will turn 3 on May 9th. What fun!

Uganda 2012 Project

Ten years ago this summer I led a team of ten to Uganda. A few months ago our Campus Crusade for Christ African staff asked Student Venture once again to bring teams into Uganda, Kenya, and Tanzania this summer from June 19th to July 19th. So when I was asked if I would be willing to lead the Student Venture team to Uganda I was overjoyed! I love Africa. It is one of my favorite places for ministry.

This time I will be bringing Cedarville University students with me. Our team will consist of Cedarville students, Student Venture staff, high school students from the United States, Campus Crusade staff from Uganda, and college students from both Kenya and Uganda. The plan is to again be in the high schools sharing Christ and discipling those who respond. Last time we were in 22 different schools and saw over 900 students make decisions for Christ. You can see videos from the 2002 project at my website: www.mikeparrott.blogspot.com. Please take a few moments to visit it and hear what Loyce said about our time there in 2002!

As I look forward to this experience I am sensing some real needs. ***First, I urgently need a prayer team*** to stand with me during this project. I could also use a team of prayer warriors for me as I teach at Cedarville too so perhaps you will continue after committing to pray for the Uganda project this summer! During the project I will be posting prayer requests, current experiences, and videos from the project. You can let me know that you will be part of this intercessory team by e-mailing me at www.mparrott@go-concepts.com or adding your name to the bottom right side of my website as a follower! Thanks!

Secondly, I need to raise $6,500 for this project. Would you consider being a financial partner with me this summer? Gifts of $100, $250, $500 or $1,000 will get me there faster but really any amount will help. You can give through the link on my website (again bottom right side) or use Crusade's direct giving website: www.give.ccci.org/give/0039156.

Your prayers are vital to me as I set out on this! I look forward to keeping you updated. Thanks for prayerfully considering your part in impacting students for Christ in Africa this summer! Pray for the team Go is putting together for this too!

In Christ and for God's Glory,

Mike
