

about me !!

How old are you/when is your birthday?	I'm 15 currently and my birthday is July 16th.
When did you start making music?	I "started" back in 2022 but I only really got passionate at the end of 2024.
What genre would you describe your music as?	Dariacore/hyperflip and ambience.
What do you use to make music?	OnlineSequencer and FL for my public tracks, I use Ableton for my personal projects.
What does your username mean?	Didn't really think about it, probably doesn't mean anything.
What's your real name?	Everest, like the mountain.
What do you do other than music?	I play video games, talk with my friends, etc.
Tips for beginners?	Try recreating songs you like before trying to make your own.
Identity?	Cishet
Which song of yours is your favorite?	As of writing this it's 'typical voice reveal' but as I make more it's probably going to change.
What equipment do you use?	Krysenix Headphones, a Yunzii B75 Pro, and some Redragon Mouse I forgot the name of.
Are you gonna voice reveal?	Maybe, I'm really self-conscious about my voice
Who's your favorite artist?	Right now it's gingus/steej but leroy/Jane Remover is a close second.

dm me any questions you have and I'll probably answer them <3
