

Welcome Ch 4 Presenters! (Don't mind me if you see me in here...)

Choose your role by writing it in the Role column next to your name — first come first served, at most three per role — by Sep 2. Then paste your two slides as screenshots in your row when they are ready, due Wednesday 11:59 PM with your video, the day the module opens. Seeing each other's work during the week is the point: borrow courage, not content.
