Computer Application in Business Books & Notes

Instructions:

The study material given here is not in accordance with any specific university or semester. Suppose, you are in Sem I of B.Com & you want to download your study material, then here are the steps (applicable for all semesters):

- First & foremost, you should have the BCom syllabus of your university. If you don't have it, ask your teachers or visit your university website **(search your university name + BCom syllabus on Google)**.
- After you have got your syllabus, **note down all the chapters** that you have in it.
- Find those units in the study material **that we have provided here**. We have covered almost all the topics of the syllabus, so chances are you will find it.
- If you can't find those topics here, then **sorry for the inconvenience**, the study material is not available on our website.
- What you can do- leave a comment at the end of [this post](#) or contact us via Whatsapp: +91 8979171604 so that we can try our best to arrange study material as soon as possible. Other options include contacting your seniors & teachers *(Contacting us doesn't make sure that you will get required study material, however, it will help us include those things in future updates).*
