Deep Tech Summit 2026, Activation of tickets

To activate (or buy a ticket with discount) and assign a ticket to a participant, follow these steps:

1. Go to the website: https://tickets.deeptechsummit.eu/.

2. Currency selection: You can switch the currency in the top-right corner.

3. **Paste the code into the field at the bottom of the page labeled “Enter discount code” and click the “Add code” button.** A message will appear in the blue field indicating which ticket the code entitles you to.

4. Create an event account: In the next steps, fill in the fields to create an account in the event system, Gridaly.

5. Email confirmation: After completing the order, an email will be sent with a link to your personal dashboard on the Gridaly platform.

6. Login link: The email contains a link to log in to your panel.

7. Profile picture upload (optional but recommended for networking):

a. Click on the avatar in the top-right corner of the screen, then select 'View your profile.'

b. Edit individual fields by clicking on the plus or pencil icons.

c. In the 'Additional information' section, you can edit answers used for filtering your profile in the meeting scheduler by clicking the pencil icon.
