<p>interest in French language and culture</p>			
<p>ability to work independently</p>			
<p>ability and capacity to undertake extension work</p>			
<p>Course Description</p>			
<p>In the Preliminary course, students will begin to develop their knowledge and understanding of French. During this course, students must acquire some knowledge of the French language as a system through topics such as Social Interaction and Personal Identification, and through the integrated use of the four skills: listening, speaking, reading and writing.</p>			
<p>In the HSC course, students will continue to develop their knowledge and understanding of French through the four skills: listening, speaking, reading and writing. All topics listed in the syllabus must be studied for the HSC. Topics previously studied during the Preliminary course will be studied in greater depth for the HSC course.</p>
