MAY HELPING HANDS

Manhattan Area Resettlement Team (MART)

There is a basket in the back of the sanctuary to receive your gifts. You can also donate online at <http://uufm.net/donate> or scan the QR. <https://www.gafund.org/>

Flower Communion

Sunday, June 1, 10:45am

Next Sunday, bring a flower to share — or just come as you are and receive. During this all-ages service, we'll celebrate spring with our annual Flower Communion, a collective spiritual practice of generosity, receptivity, and delight. The choir will be performing "Beauty Calls Us Together," a cantata composed for the occasion, using the words of our anti-fascist spiritual ancestor Norbert Čapek.

July Ritual Crafting Workshop

Wednesday, June 4, 7pm

Are you curious about how worship is crafted? Do you have ideas about Sunday Services but don't want to join a committee? Would you like to help Pastor Isabel lead this essential part of our community and spiritual life? During this monthly gathering, we talk about the purpose of Sunday Services and share our ideas for the upcoming month. We will also listen to bigger-picture feedback and ideas and help you develop any ideas you may have for future services. We will do the sessions for both July and August this month.
