

Adding and Subtracting Fractions with pattern blocks **Name:** _____

Adding Fractions

Solve the following using pattern blocks

1. $\frac{1}{3} + \frac{1}{4} =$

A. With pattern blocks

2. $\frac{1}{6} + \frac{2}{3}$

A. With pattern blocks

3. $1\frac{1}{2} + \frac{3}{4} =$

A. With pattern blocks

Subtracting Fractions

- Solve the following using pattern blocks.

$\frac{4}{6} - \frac{1}{3} =$

A. With pattern blocks

$\frac{5}{12} - \frac{1}{12}$
