Catalog Description & Prerequisites

College Choir is a vocal performance ensemble open to all students and community members. There are no prerequisites for this course.

Course Purposes & Instructional Methodology

- Students will express their understanding and interpretation of the repertoire through rehearsal and performance.
- Students will demonstrate an understanding of creative expression by collaborating in performance on multiple musical works.
- Learning will take place in the ensemble rehearsal setting.
- Announcements will be posted on Blackboard.
- Learning tracks will be posted in Blackboard.

To accomplish this, we will cover many related skills, including the following:

  - Development of proper singing posture and expertise in choral performance through the study of choral tone, balance, intonation, articulation, and diction.

Required Textbooks & Other Useful Materials

- Students will provide a black 3 ring binder (½" - 1") for rehearsals and performances. All notations are to be done in pencil.
- Music will be provided. Students will return all original music at the end of the course, in reasonable condition.
- Fines may be assessed for missing or damaged music scores.

Student Learning Outcomes

Through active participation in this course, students will:

- Demonstrate consistent technical accuracy and expression.
- Identify aesthetic, cultural, and historical dimensions of artistic traditions and techniques.
- Perform a variety of choral repertoire from different musical eras, cultures, and styles.
- Demonstrate an understanding of creative expression by collaborating in performance.
- Express understanding and interpretation of works of art critically and imaginatively.
- Read and apply music notation and terminology as it relates to choral music.
- Develop skills in group collaboration and effective communication.

- Assess the impact of musicians and composers of various cultures, times, and societies.
- The intended repertoire for this course would include larger-scale choral works (40-60 singers) derived from both historical masters such as Beethoven and Schubert to lesser-known choral works by Boulanger and Holst. Additionally, College Choir aims to advocate the performance of world music – performing pieces originating from Ireland, India, Eastern Europe, South America, the Far East, and Africa.

Program Learning Outcomes
The Student Learning Outcomes are associated with the following Program Learning Outcomes: Develop vocal skill through coaching, pedagogy, diction, and instruction.

- Create opportunities to study with national and international artists, designers, and leaders within the music industry.
- Establish and maintain collaborations with professional arts institutions, other academic institutions and music schools.
- Develop a broad base of donor and patron support for student scholarships, awards, guest artist residencies and special programming.
- Be involved in ACC outreach programs in Austin and surrounding neighborhoods.

General Education Competencies
The General Education Competencies utilized in this course are as follows:

- *Communication Skills*. Students will develop, interpret, and express ideas through written, oral, visual, and sung communication that is adapted to purpose, structure, audience, and medium. They will do this through in-class exercises and performances, and reading and written assignments.
- *Critical Thinking*. Students will gather, analyze, synthesize, evaluate and apply information for the purposes of innovation, inquiry, and creative thinking and performance. They will do this through in-class exercises, performances, and reading and written assignments.
- *Personal Responsibility*. Students will identify and apply ethical principles and practices to decision-making by connecting choices, actions and consequences. They will do this through in-class exercises, performances, and reading and written assignments.
- *Teamwork*. Students will consider different points of view to work collaboratively and effectively in pursuit of a shared purposed or goal. They will do this through in-class exercises, performances, and reading and written assignments.

Attendance
Attendance is expected at all rehearsals and concerts. **You are allowed two (2) absences per semester for severe illnesses and emergencies; please use them wisely.** Each absence after the second will result in a 2/3 letter reduction from your final grade (e.g. A becomes B+; B+ becomes B-, etc.). Six absences result in an F for the semester. Please do not schedule doctor appointments, appointments with your advisor, or a work shift during rehearsals or concerts, they are not considered legitimate reasons to miss rehearsal. If you expect to miss, email me prior to the start of rehearsal.

“Early is on time, on time is late, and late is unacceptable.” You are expected to be on time to every rehearsal and concert. **Two tardies equal one absence.** If you are tardy by more than 15 minutes, you will be counted absent.

Excessive absences and/or tardies will negatively affect your membership in this ensemble.

Grading
Your grade is based on evidence of assigned work completion inside/outside of class time, effort, disposition, and attendance (outlined below). General assessments will be available in Blackboard throughout the term.

- Effort (40%) Always having your materials. Marking your score. Focus.
- Disposition (40%) Attitude. Professionalism. Growth mindset.
- Assessments (20%) Memory Checks (when appropriate)

Letter Grade	Percentage
A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	0-59%

Dropping/Withdrawing. It is the student's responsibility to initiate all withdrawals in this course. The instructor may withdraw students for excessive absences (4) but makes no commitment to do this for the student. You may withdraw, or drop from a 16-week course with a grade of W any time on or before the end of the 12th week in the fall or spring 16-week session. Shorter semesters have prorated drop dates. If you drop a course before its census date, or official reporting date, the course is deleted from your enrollment, does not earn any grade, and does not appear on your transcript. If you drop a course after the census date, a grade will be included on your transcript. Reporting dates vary, so you are strongly encouraged to consult your instructor, the course syllabus, or the Austin Community College website for the drop and withdrawal dates for your course. *If your first college enrollment occurred in the fall of 2001 or later, you may not drop more than 6 courses during your cumulative enrollment at any Texas public college or university.*
For more information on the withdrawal process you can check this page: https://catalog.austincc.edu/support-services-and-student-progress/student-progress/droppingwithdrawing-from-courses/

Missed Exams & Late Work. Deadlines in my course are firm. I give you a course calendar at the beginning of the term that includes all deadlines for the course. Should a deadline change, I will inform you in writing and in person. Here are some rules of thumb to go by:

- *I forgot to complete an assignment. Can I make it up?* Written assignments are accepted up to 48 hours late, with a grade penalty. Projects, Group Projects and Presentations will not be accepted late. Please be very aware of your partners in group projects.
- *I missed an activity that we completed during class. Can I make it up?* No, there is no way to make up an in-class activity.
- *I missed a quiz, can I make it up?* No, quizzes and tests are not accepted late.

Incomplete Grade. If a student is unable to complete the course at the end of the semester due to an emergency or other unanticipated circumstance, I will consider awarding an incomplete grade for the semester. A new completion date will be given to the student, but it may not be later than the final withdrawal date in the subsequent semester. When the student completes the required work by the deadline, I will submit a form to change the student's grade from an incomplete to the earned grade. If an incomplete is not resolved by the deadline, the grade will automatically convert to an F.
