

Statement concerning Ernesto Fuchs, Josef Vondracek, and Karel Linhart who saved many (perhaps up to 500) Jewish lives as honorary Ecuadorian consuls in Prague, in 1939

In Spanish with English translation

Hello Ralph:

I think the attached document (researched and written by Robert and Daisy Kunstaetter) about my father (Rudolph Beck) and the Jewish migration from Czechoslovakia to Ecuador will be of interest to the JOE's site. I would be keen to find out more – from families of Czech descendants – to fill the historical blanks.

I will look for photos and other mementos – and send them over

Regards,

Charles (aka Carlos) Beck -- Australia -- January 27, 2010
