- Whittle Night very well attended, thanks to everyone for coming out
- International Day was a wonderful celebration of our diversity. Thank you to the PTA for sponsoring.
- Thank you to the Curran family for their continued support in beautifying out grounds
- Our TSI status was updated last week. Our ELL student group is no longer a targeted group for intervention. We continue to qualify for TSI based on our Special Education student group but made strides in that as well. We are less than 2 percentage points away from losing the distinction all together 😊

- We are exploring the possibility of applying for a Ben Carson Reading room. Anyone interested in joining the exploration process or aware of any possible matching donors would be more than welcome
