The victim was driving at 200 MPH, she had ended up crashing her car due to not having brakes. Not being able to use them when pulling into the pits, she crashed into the scoremonkey which killed her on impact.

Image	Name	Description
	Screwdriver	The screwdriver that was used to cut off the brake cable of car 95. The cut marks on the brake cables match this specific brand. It contains only the defendant's fingerprints and was owned by him.
	Brake Cable	The brake cables of car 95. They were cut, not allowing the victim to brake the car when pulling into the pit. It was found in the trashcan near the audience's seats. Only the defendant's fingerprints are on it.
	Stock Car	The cars that both racers had to use. The track is built in a special way that allows for cars to reach a top speed of 200 MPH and are able to clear one lap of the Talladega 200 in one minute. Car 95, belonging to the victim. It had the brake cables cut and the front of the car crushed in. Car 86, belonging to the rival racer, Carl Copper. It appears to be in good condition however the engine seems to be tampered with but only slightly.
	Scoremonkey	The scoretower that stands near the pit center. Its head has fallen off due to the impact of the crash. The score that was left on it reads: 86: 46 95: 45
	Advertisement	An advertisement for the event. It reads the following: “On April 5th, come watch the tiebreaker race for the books! Coral Cooper, 2 time back to back COCAR cup winner! Going against the new star rookie of the season, Carl Copper! Don’t miss out on the race at 12 PM! Watch it live on COCAR network television! ”
	COCAR Talladega 200 Guidelines	The guidelines of the race that the racers had to follow, it states the following: 1. The drivers must be at the stadium at least one to two hours before the race begins for procedures, they are allowed to meet fans at this time. 2. The pit closes at 11:25 AM for the civilians and fans. Only the racers, pit crew and security can stay in the pit until then. 3. Both drivers must wear their racing gloves to keep steady on the wheel and their helmet for protection. 4. You must complete 200 laps for the victory.
