

VIETNAM WAR RESOLUTION

January 1, 1967, approved by a congressional vote of 35-4

Original Document lost. The following is a quotation from page 14 of *An Everyday Miracle*, by Neil Chetnik, 1989.

“Written by Art Emmes, the resolution charged that the ‘military destruction of lives and property in Vietnam is immoral’ and implored the U.S. Government to stop bombing and start negotiating.”
