Summer League Team affiliation is not required for individual events, however, individuals swimming unattached will not be able to have their points considered for team scoring. Summer League Team affiliation is required for relay teams.

Team Affiliation Defined:

The purpose of City Meet is to give any swimmer a chance to compete with their peers.

Summer League affiliation is encouraged and team affiliation is required for individuals wishing to score points for a team for "high point team consideration" and for relay teams. In order to be affiliated with a team, individuals must meet at least one of the following requirements:

1. Swimmer is a **current member** of the swim team.
2. Swimmer is **currently a member** of the affiliated pool.
3. Swimmer is **currently a coach** or lifeguard of the affiliated team/pool.

(**Note: USA Swimming-registered swimmers are allowed and encouraged to compete with their summer league program. No year-round club program will be allowed to enter swimmers or display team logos during the meet (i.e. no caps or tents).)**

Age Groups:

There will be seven boys' and seven girls' age groups (15-18 and Open will race together in the open events but will be scored separately for individual high point winner awards):
6 & under, 8 & under, 9-10, 11-12, 13-14, 15-18 and Open

THE SWIMMER'S AGE AS OF JUNE 1, 2022 WILL DETERMINE THE AGE GROUP IN WHICH HE/SHE COMPETES.

No "aging up" is permitted if the event is age specific (e.g. 9-10 boys). The Open age group is open to any swimmer regardless of age.

Meet will be conducted using USA Swimming technical rules.
