Ice King Invasion

- The Ice King Invasion event has returned! Head to the house at the back of Pokey Oaks South, past the Gazebo, to find the Spire and participate!
 - Complete missions for Ice King and defeat some nasty Penguin Fusions for special rewards!
- Ice King, Gunter, and the rest of his penguin legion are now occupying Pokey Oaks South for a limited time.
- Sour Ron is running a "charity drive" at the Pokey Oaks Gazebo, raising funds by selling two vehicles.
 - Knishmas Kimchi (Level 4) (1300 Class) - 15,000 Taros
 - Knish Kringle (Level 4) (1300 Class) - 15,000 Taros
- For the duration of the event, Fusion Spawns are a bit jollier.
- For the duration of the event, Dexbots are a bit jollier.

World Build

- The Ice King has sent the entire Cartoon Network Universe into a constant snow storm! Climatologists and meteorologists alike question the long-term ramifications of this.

- There's snow falling along with a hazy winter sky!
- The Ice Spire returns temporarily as a part of the Ice King Invasion event.

Vehicles

- Two seasonal vehicles have been made available for the duration of the event. They can be bought from Sour Ron at the Pokey Oaks Gazebo.
 - **Knishmas Kimchi Cloud (Level 4) (1300 Class) - 15,000 Taros**
 - **Knish Kringle (Level 4) (1300 Class) - 15,000 Taros**

Mobs

- For the duration of the event, Fusion Spawns are a bit jollier.

NPCs

- Unfortunately, the Ice King, Gunter, and his legion of penguins have returned to Pokey Oaks South for the Ice King Invasion event. I thought we got rid of that guy!?
- Sour Ron, and the Puckerberry Overlords can be found at the Gazebo in Pokey Oaks during the event.
- Dexbots now have randomized festive hats just like the Fusion Spawns do!

Items

- All the event items from last year have returned!
- The Thanksgiving Code Items have been disabled!

Bug Fixes

- Previously, if an email you had sent with attachments was never claimed by the recipient, you'd be unable to send anymore emails to anyone with attachments. That has now been fixed!
- An issue introduced in the last update where Guide Emails appeared blank and were effectively unable to be read has now been fixed!
- Last year, there was an issue where the screen would flicker blue while the winter sky was active. This has been fixed!

Known Issues

- N/A

Special Thanks

- Special thanks to everyone who stuck with us and played throughout 2025!
