From Principal, Mr. Logan...

Dear CMS families,

By now, you should have received a paper letter explaining the upcoming survey called the Behavior Assessment System for Children (BASC) that students will take in the first week of December. This survey provides helpful data that allows our student support team to assist students in specific social and emotional areas where they might need support, and it also informs teachers and counselors about students' social and emotional strengths. Here is a digital copy of the [letter](#) that was sent home. If you wish to opt out of this survey, please send an email to our counselor, Lindsay Selig, at lselig@rfschools.com.

From Ms. Porter, Dean of Culture...

Some date reminders!

1. **Monday, November 10th:** The start of Trimester 2! This is a perfect opportunity to help your student set new goals, help organize their binder, and ask them what other things might help them start strong for trimester 2. Parents can use the Infinite Campus button (always linked at the top of Weekly Word) to find their student's 2nd trimester specials classes.

Infinite Campus

2. **7th and 8th Grade Dance on Friday, November 14, 2025 from 6-8:30:** This dance is for 7th and 8th grade CMS students only and is themed The Country Dance. The WEB leaders are planning all of the decor, food, and games. Entry to the dance is \$5 and there will be food, games, and drinks for sale. Your student must be at school the entire day of the dance and not on a behavioral contract. We will have several CMS staff chaperoning the dance.
3. **School-Wide Gratitude Lesson on Wednesday, November 19 (5th/6th) or Thursday, November 20, 2025 (7th/8th):** WEB Leaders will deliver hot chocolate or apple cider while students participate in a gratitude activity in crew!

Thanks, Sara Porter

Counseling Corner

CHOOSE
KINDNESS

Kindness as a Strength

Kindness is powerful—it builds friendships, reduces conflict, and creates a positive school environment. Challenge your student to complete one small act of kindness each day this week, whether it's holding the door, sharing a compliment, or helping a peer. These small actions often have ripple effects, inspiring others to be kind as well. When kindness becomes a habit, it strengthens communities and boosts students' self-esteem too.

☐ Roaring For Precollegiate

November 17th: PreCollegiate Information Session during Lunch and Recess for 7th Graders

December 10th: Precollegiate Application Day during Lunch and Recess for 7th Graders

**ROARING FORK
PRECOLLEGIATE**
www.rfprecollegiate.org

**7th
Grade**

WHAT IS PRECOLLEGIATE?

Roaring Fork PreCollegiate is a college access and preparation program for highly motivated students in Basalt, Carbondale and Glenwood Springs who would be the first generation of their family to go to college. We recruit qualified students as early as the 7th grade and follow them through their first year of college.

HOW DO I GET INVOLVED?

Students who meet the following criteria are invited to apply. PreCollegiate Staff review all applications and admits students on a rolling basis. Enrollment is limited.

- Roaring Fork School District Middle School student
- Student would be a first-generation, college graduate in their family (neither parent received a baccalaureate degree);
- Minimum of a 2.75 GPA (grade point average)
- Recommendation from teacher/counselor
- Eager to learn more about options after High School.

I AM ACCEPTED, NOW WHAT?

Students meet with Program Coordinators twice a month at school during lunch and recess to explore topics around transitioning to High School and Beyond. Through the use of games, interest inventories, and hands on activities, students will begin to consider their strengths, interests, and plans for the future. Students are expected to attend ALL scheduled meetings and PreCollegiate activities. Students who are active, engaged participants find the most success.

7th graders, want to get a head start on your future? Come "test drive" a Roaring Fork PreCollegiate meeting and see what our program is all about.

PERFORMING ARTS

CARBONDALE MIDDLE SCHOOL

GRADES 5-8

Sept 29th - Dec 9th
Mondays and Tuesdays
3:25-4:55 p.m.

Educator and entertainment professional, Quincy Gray, welcomes young performers, at Carbondale Middle School, to explore the art of storytelling in the spirit of Broadway's Jukebox musical theater genre. Jukebox musicals include stage acting, singing and dancing to scores or pop songs, by some of today's most iconic musicians. Shows like 'Motown,' 'Rock of Ages,' 'Juliet' & 'Hell's Kitchen.' Jukebox musicals give modern shows a refreshing new life onstage.

In his youth, Quincy acted in community plays, and studied theater at CalArts as a teen. He then trained in dance at The Millennium Dance Complex in Los Angeles. As an adult, he studied the Meisner acting technique in Santa Monica, California. Quincy has been credited as an assistant director for Hollywood productions - he's made commercials, music videos, television series, and films.

Participants in the ACCESS AfterSchool performing arts workshops will learn the fundamentals of live musical theater. They will explore scene and monologue acting, as well as sing, and dance to hit songs. Lastly, students will learn social cooperation as a castmate, and stage a musical theater showcase. You're encouraged to 'Seize the Day!' and sign your child up for this dynamic afterschool experience, that'll nurture your students talents, and foster good character, social skills and confidence. See you on stage, under 'All of the Lights.'
