

Student Shout Outs!

Shout out to Athen Damon this week! I heard that you and Peeler were dominate in badminton this week! Great job beating your whole class!

Shout out to Emmah Schmitt! She has been killing it with grades this whole year and is continuing to be such a strong student. Great job Emmah!

Lastly, a shout out to Kelsie Parker! Loved seeing your drawings. You are a very creative and talented kid! Thanks for being awesome!

The track team had a strong showing at the Mapleton meet and have another meet this Tuesday at Sheldon. Great job track team!

We are having our student of the month assembly this Wednesday. I am combining March and April for this assembly. We will have prizes and powerpaw drawings. This will not be all in the gym, but rather through a zoom link that you watch in your classes.

Attendance is super important in staying caught up with classes. Please make sure to be coming every day to school. That said, if you are not feeling well, please play it safe and stay home until you are feeling better.

I want to state again the importance of us following our Covid Protocols. Students have to wear masks at all times, covering your nose and mouth. We need to be staying six feet apart from each other as much as possible, especially in the halls and during lunch. We want to stay safe as numbers are on the rise in the county and by staying safe we can stay in school.

If you have any questions or concerns, please let us know and you can always email me at krodemack@cal.k12.or.us

See you all tomorrow!
