

What is Leukemia Together?

The Leukemia Together Organization is a registered 501(c)(3) nonprofit, which strives to be a backbone of support for both patients and their families. The network serves as a token of kindness to promote empowerment, understanding, and social change. Leukemia Together has over 25 branches/chapters in 16 countries. Within this organization, we hold themed drives, fundraisers, patient Zoom calls, bake sales, educational events to spread awareness, and more! We have over 1,800 like-minded individuals joining us to make a lasting change within the community. We have reached over 310,000 through social media in every US state and several countries across the globe. Join us as soon as today in supporting our mission to *change hearts, one smile at a time*.

Steps To Joining Leukemia Together & Becoming A Member:

1. Follow our instagram account: @leukemiatogether

Leadership Positions / Starting A Chapter

Every single June ALL positions open as there will be an election. In the meantime, through the year, we will be having several opportunities involving committee leader and officer positions! You can even start a chapter of Leukemia Together in your local community or become an ambassador within our organization. If you are interested in any of these opportunities, please send our Chief Executive Officer/Chairperson, Simran Patel an email or text (simran.patel1807@gmail.com ; 201-572-6829).

About: Simran Patel, a 17 year-old located in Parsippany, New Jersey founded this organization in honor of her late grandfather.
