

Map of the Autistic Brain (Tzipporah Campus) – Image description and alt text

ID: A graphic of a building map, the kind you would see on the wall for visitors to a museum to navigate around the building. The building is vaguely in the shape of a brain, and each room has a number and a little icon representing the room's function. There is a key beneath the map.

Key

1. Emotional Baggage Store - (Currently at capacity and not accepting new items)
2. Brain Fog machine
3. Fountain of Useless Trivia
4. Control Centre - Please note: operations are disrupted due to energy shortages
5. Fuse Box - Caution: Do Not Overload
6. National Archive of Every Embarrassing Thing I've Ever Said or Done - Busiest between 9pm-8am, so please plan your visit accordingly
7. Library of Misremembered Facts - "It was Agapanthus. No, Asparagus, definitely Asparagus. Actually maybe it was Acanthus. Something like that, anyway"
8. The Hungry Woman Café - Open 24/7. Please note we are operating a restricted menu.
9. The Museum of Monotropism - Obsessions, collections, and obsessive collecting
10. Cat RADAR Tower - Can identify cats up to 100m away
11. Lift to Oubliette (Out of Order)
12. Chute to Oubliette (One-way only)
13. Audio Installation - "This week's pretty busy but it should ease up next week", on permanent loop till I die
14. Gallery of Irrational Fears - Including Mushrooms, Leaving the Iron On, and All Human Interaction
15. Broom Cupboard of Social Skills - Awaiting stock
16. Oubliette - Where PINs, names, and important tasks go to die
