

Privacy Policy for CatchIt

Effective Date: [04/01/2025]

CatchIt is a simple and engaging number-adding game designed to provide entertainment without compromising your privacy. This Privacy Policy outlines how we collect, use, and safeguard your information while you use our game.

1. Information We Collect

We value your privacy and strive to collect as little information as possible. Our game:

- **Does not collect any personal information.**
- **Does not require you to provide any login or personal details.**

If the game integrates third-party services (such as advertisements or analytics), these services may collect limited, non-personal information such as device identifiers. For more details, please review their privacy policies.

2. Use of Information

Since no personal data is collected directly by **CatchIt**, we do not use or store your data for any purpose.

If third-party services are used, the information collected by these services may be used to:

- Provide relevant ads (if the game includes advertisements).
- Analyze app usage to improve the gaming experience.

3. Third-Party Services

Our game may include integrations with third-party services such as:

- **Ad Networks:** To serve ads within the game.

4. Data Security

We take reasonable measures to ensure the security of any data processed through third-party services. However, since **CatchIt** does not store or process personal data directly, there is no data under our control to secure.

5. Children's Privacy

CatchIt is suitable for players of all ages. We do not knowingly collect personal information from children under 13 years of age. If you believe that your child has provided personal information through third-party services, please contact the respective service provider.

6. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Updates will be posted within the game or on a dedicated website, and the "Effective Date" at the top will be revised.
