MEFS Minnesota Executive Functioning Scale	FastBridge	WIDA Screener	MCAs Minnesota Comprehensive Assessments
Measures growth in critical executive function development for all years; More on Minnesota Executive Function Scale .	Measures growth in foundational reading and math skills for early years; More on FASTBridge Assessments.	To annually assess English language proficiency of all English learners WIDA Screener	The Minnesota Comprehensive Assessments (MCAs) is a statewide assessments that help measure student progress toward MN's academic standards.

Parents/guardians have the right to refuse to allow their child to participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about state assessments to parents/guardians and include a form that must be completed if parents refuse to let their child participate. This information on state assessments and refusal appears in the *State Testing Parent/Guardian Participation Guide and Refusal Information SY24-25* document

and includes an area to note the reason for refusing participation. Please click on the document below to read more information about the importance of state testing and fill out the form, and return it to the school if you choose to refuse the testing of your child.
