

Assignment: Discover Your Color Season

This assignment will help you explore the concept of **color seasons** and how they influence the colors that look best on you.

*Use the Worksheet below this assignment to fill out your color season findings. Then upload it into this assignment.

Step 1: Learn

- Watch the videos about **Color Seasons**.
- Take the quizzes provided to help identify your personal color season.
- Do your own research to dive deeper into this fascinating topic.

Step 2: Reflect & Respond

Answer the following questions in your submission:

1. **What is your Color Season?**
2. **What are your best colors?**
 - Provide a picture (or swatch) of the colors from your season.
3. **What colors should you stay away from?**
 - List colors that do not complement your season.

Step 3: Submit Your Work

- Upload your completed answers and the picture of your color palette.

Need Help?

- Rewatch the videos or review the documents if you need clarification.
 - I am available to meet **in person or on Zoom** for additional support.
 - Email me at **Tiffanyw@cos.edu** to schedule a time.
