

THE PLACES TO VISIT IN LONDON

London is the capital of the UK and England. You can find a lot of interesting places to visit in London. More than twenty million tourists visit London every year.

The centre of London is Trafalgar Square. There is a monument to Admiral Nelson in the middle of this square. The National Gallery with collections of beautiful pictures is in this square too.

. A lot of tourists visit The Tower of London. William the Conqueror built it in the eleventh century. The White Tower was a fortress, a palace, a prison and the King's Zoo. Now it is a museum.

One of the greatest English churches, St. Paul's Cathedral, is not far from the Tower of London. The famous English architect Sir Christopher Wren built it in the seventeenth century after the Great Fire. It is a beautiful building with many columns and towers.

The symbol of London is Big Ben. It is the large clock in one of the towers of the Houses of Parliament. Westminster Abbey is on the other side of Parliament Square. It is the most famous church in London. It is one thousand years old. Many English kings and queens are buried there.

The Queen of Great Britain lives in Buckingham Palace. It is a wonderful building with the Queen Victoria Memorial in front of it.

There are so many other interesting places to see in London. It's a very beautiful city. I would like to visit London too.
