

Privacy Policy

This Privacy Policy explains how personal data about you is used on Slot Quest: Riches Unleashed("App" or "Services"). If you do not agree to our collection, storage, use or sharing of the personal data you provide in the manner described in this Privacy Policy, you should stop using the App now.

Children's Privacy

We believe it is important to protect children's privacy. We encourage parents and guardians to regularly review and monitor their children's use of online activities. If a parent or guardian discovers that a minor has provided us with personal data without consent, please contact us immediately.

Updates

The most current version of this Privacy Policy governs our processing of your personal data and we may revise this Privacy Policy from time to time as needed.

If we do revise this Privacy Policy and make changes that are determined by us to be material, we will provide you notice and an opportunity to review the revised Privacy Policy before you continue to use the App.

Scope Of Data Collection

All functions on this App can be used without user registration. We will not request or process contact data such as your name, email address and phone number from users unless they actively contact us.

Nonetheless, we do collect the following data when you use the App: the type, brand, operating system and language of your device; the type and operator of network; screen resolution; device identifiers (such as IDFA, IDFV, GAID); the time you access the App and the length of use; behavioral usage of the App(e.g. page views and clicks statistics).

Purpose Of Data Processing

We Process the data for the purposes set below:

- ① To provide you with our Services; for example, to allow you to use the App, to confirm your identity, contact you, provide you with advertising.
- ② To improve the App so that you can have better experiences.
- ③ To make sure that we comply with applicable legal requirements.
- ④ For security, system integrity (the prevention of hacking, cheating and other improper or unlawful activities), or enforcement purposes.

Data Disclosure

We may disclose aggregate statistics about users in order to describe our business and services to potential partners, advertisers, sponsors and other reputable third parties and for other lawful purposes, but these statistics will not include any personally identifiable data.

We may disclose your personal data from time to time to any of our affiliates, our agents or contractors who assist us in providing IT and other support services through the App or

performing other tasks. Our agents and contractors will only use your data to the extent necessary to perform their functions.

If we undergo a reorganization or are sold to a third party, you agree that any personal data we hold about you may be transferred to the reorganized entity or third party.

We may disclose your personal data if required by law or if we believe such action is necessary to prevent fraud or cybercrime or to protect the rights, property or personal safety of any person.

Data Storage

We'll retain your personal data for only as long as we need in order to provide our Services to you, or for other legitimate business purposes such as resolving disputes, safety and security reasons, or complying with our legal obligations. How long we retain personal data will depend on a number of factors, such as:

- ① Our purpose for processing the data (such as whether we need to retain the data to provide our Services);
- ② The amount, nature, and sensitivity of the data;
- ③ The potential risk of harm from unauthorized use or disclosure;
- ④ Any legal requirements that we are subject to.

Data Security

Protecting your privacy and data is very important to us. We take appropriate technical and organizational measures to protect personal data to prevent violations of its confidentiality, integrity and availability.

Your Rights

You may have the following privacy rights:

- ① access and correct the personal data we hold about you.
- ② to have your personal data deleted, object how we use or share your personal data, and restrict how we use or share your personal data.
- ③ you can always withdraw your consent.

Third Party Links

This Policy does not apply to the processing of personal data for which we are not a data controller, such as third party links, third-party content and/or service providers. Such third parties are responsible for ensuring that any processing of personal data by them in providing services to you complies with applicable data protection laws. If such third parties collect any personal data,

we will require them to comply with applicable data protection laws when processing personal data in the App. We recommend that you carefully read the privacy policies of such third parties. In detail, the App may access to the following third-party Links:
