Re: Interscholastic Athletic Fee for school year 2025-2026

Dear Parents / Guardians,

Congratulations on your student-athlete being selected to represent St. Mother Teresa High School in our interscholastic sports this year. We hope that their participation will be rewarding and add to their high school experience.

As in past years, we will be collecting Athletic Fees for the participation in our interscholastic sports. This year the fee will be paid only once, at the onset of the athletes first sport season, to aid in offsetting the increasing costs associated with uniforms, specialized team equipment, transportation, and registrations.

The fee for this year is **\$50.00**. This fee also includes, for each athlete, a St. Mother Teresa athletic t-shirt and will subsidize a ticket to the year-end Athletic Awards Banquet. The remaining funds will be used toward the athletic program costs.

Fee payments are to be made prior to the season's start date. They can be paid online via <https://ocsb.schoolcashonline.com>.

Fee payments will be recorded for each student for subsequent sport entries.

With your continued support, we will be able to offer a varied and meaningful athletic program at St. Mother Teresa High School.

With thanks,

Lino Dixon
D.H./Athletic Director - Physical Education & Athletics
St. Mother Teresa High School
