

KORTS AGM
KMBC Update

- This summer the club is focusing on building community and getting people together for volunteer maintenance nights and social rides
- We are meeting every Wednesday from 4:30-6:30 in various locations around the local trail network to help the trail crew with spring clean up
- There are social rides happening on Tuesdays and Thursdays at 5pm, if people are interested in joining check out the Tour De Friends Facebook page
- The KMBC is still actively looking for grants to continue with trail development on Mt Buchanan although nothing significant has been secured for this year. The top priority is extending Buckshot to the top of the Friendly Giant, so there is an alternative down trail from the summit. Other projects include connecting Mt Buchanan to the Branch 7 Trails and creating a dirt jump park somewhere closer to town.
- KMBC AGM will be held Wednesday May 13th out at Moose Meadows from 6-7pm. There will be a social ride before hand if people are interested. It is a family friendly social event. There will be a fire, bring something to roast, bring your bike and come meet others in the Kaslo mountain bike community

Current Board Structure

Carl Hall- President

Marty Lefebvre- Secretary

Jen Elliot- Treasurer

Tanya Gaskell- Fundraising

Lisette McCracken – Social Media

Pate Neumann – KORTS rep

We are always accepting help and new faces on the board. If you have ideas or want to be a part of the team please come to the AGM or get in touch with myself or any other board member.

The Jason Remple May Days Strawberry Social Ride & Run will be held Sunday May 17th registration is at noon, with the race start at 1pm. Kids race will follow main event. BBQ, prizes and social.
