My name is Carson Petrick. I am a currently a senior at St Charles East High School in St Charles Illinois. I have played soccer my entire life, I started to play when I was seven years old. From then on soccer has been a huge part of my everyday life. My parents encouraged me to play soccer, even though they never played, and I have fallen in love with the sport. The memories I make and the people I play with are what is most important to me. I have learned so much through the game and continue to love it to this day. During the summer I am often at the field playing soccer with my friends and family.

As a returning senior player, I play for a program that was ranked in the top 25 throughout the year in 3A (the highest class in the state). Last year I was named Academic All-Conference. Along with high school soccer I play club soccer year-round at Strikers Fox Valley. I play for the 2002 Premier team and we compete in Premiership 2 at Olympic Park. We also play in the many out of state tournament throughout our season. I typically play as a utility player for our team. I specialize in outside back as well as outside midfield, but can help the team in other positions as needed.

I am interested in majoring in Finance. My current GPA is 4.85/5.0. I'm not planning to extend my soccer career and plan on focusing solely on my education as I decide my future college within the coming months. Below you will find my coaches contacts, please feel free to use them as my references.

Coaches
St Charles East Varsity Coach: Vince DiNuzzo. vincenzo.dinuzzo@d303.org
