

Horses! Racing! Mayhem! In an effort to raise funds for Yemen Aid and Care For Gaza, the Cavalier team is back with another fundraiser. Thank you so much for participating in our efforts.

This fundraiser is being held in response to Cavalier's chosen charity from 2021, the World Food Programme, withholding aid from Yemen, potentially in response to Yemen's aid to Palestine. We, the creators, are appalled and upset by this decision, and wish to raise funds for the communities that need it most during this time.

PREMISE

Fódlan, 1188.

What's more exciting than a horse race? A horse race where the audience decides who wins! In an effort to raise funds for post-war Galatea, the Margrave Sylvain Gautier-Galatea and Count Ingrid Galatea-Gautier have agreed to do what they do best: ride horses, but this time, for charity.

The Great Fodlan Horse Race is upon us, and you, the audience, will decide the outcome!

HOW IT WORKS

There are two parts to the fundraiser: the commissions, and the voting.

- Any donation of \$5+ to either charity will also net you a digital copy of Cavalier: A Sylvain/Ingrid Charity Zine.
- We also offer charity commissions based on several donation tiers:
 - \$15+ - fic drabble (300-1k words)/B&W sketch (1/2 characters)
 - \$30+ - short ficlet (1k-2k words)/colored sketch (1/2 characters)
 - \$50+ - one-shot (2k+ words)/fully rendered piece
- Finally, as of 1/23/24, the [MERCEDES KART](#) stand is open! Do you really, really want either Sylvain or Ingrid to win (or lose?) If so, you can make sure this happens with an add-on. Note that this will be on top of commission costs - so a weird mushroom and a fic drabble will be \$20 in total.
 - \$5 - Weird Mushroom
 - \$12 - THREE Weird Mushrooms
 - \$20 - Star of Invincibility
 - \$20 - Banana Peel (extra slippery and slick)
 - \$25 - Annette's Thunder Spell Special (no horses will be seriously harmed)
 - \$30 - Banana Peel AND Felix throws it in your cavalier of choice's face
 - \$180 - TEN banana peels (super slippery, slick and squelchy!)
 - \$200 - TEN banana peels and Felix throws one in your chosen cavalier's face
- ~~• As of 1/30/24, the NO OTHER SHADE OF BLUE SHELL is available at the Mercedes Kart stand.
 - ~~\$100 - Dimitri and/or Felix run onto the horse racecourse in a very funny outfit, sending the leader halfway back. Yes, that's right: their progress will go back to 50% of where they were.~~
 - ~~You can also commission a COLLABORATIVE fic/art piece from the Fire Emblem series. An artist and writer will work together to bring your vision to life!~~
 - ~~The artwork you receive will be a fully rendered piece, and your fic will be at least 2,000 words long.~~~~

- ~~Unlike the other Mercedes Kart options, a blue shell is \$100 total for both the commission and the blue shell.~~

Please note that due to the nature of this fundraising event, we will be randomly assigning each donor to a commissioner based on preferences and fandoms. Donors will not be able to select a commissioner.

Here's the step-by-step process:

- Donors will sign up by:
 - i. Step 1: Donating to either [Care For Gaza](#) or [Yemen Aid](#).
 - ii. Step 2: Filling out a [Google Form](#) telling us what they'd like to commission
 - iii. Step 3: In the same [Google Form](#), donors will tell us whether they'd like their votes to go towards:
 - HORSE HELP:
 - Feeding Ingrid's horse a carrot (Ingrid's horse advances)
 - Feeding Sylvain's horse a carrot (Sylvain's horse advances)
 - HORSE SABOTAGE:
 - Feeding Ingrid's horse a sugar cube (Sylvain's horse advances)
 - Feeding Sylvain's horse a sugar cube (Ingrid's horse advances)
- As the results are tallied, we will be sharing performance weekly.
- In the meantime, everyone else is invited to boost fundraising, or to engage in campaigns to aid or sabotage either Ingrid or Sylvain! Rally your friends, followers, and fellow countrymen to join!
- The results will be tallied on February 15, and they will be posted by February 19.
