

### Extreme Math

This HAL event is a half day of student math problem solving, collaboration, and logic questions. Student teams of 4, 5, or 6 members will participate in a Sprint Round, Team Round, and a Problem Solving Round during the morning.

The spirit of the morning is collaboration and math achievement in an effort to recognize the importance of math problem solving.

- Each round is timed and student accomplishment will be recorded.
- Recognition will be provided for individuals in the Sprint Round and for teams in the Team Round.

### Schedule of the Day

Schedule

8:15-8:50 - Check In, Welcome ("Extreme Math" Problems, if time allows)

9:00-9:35 - Sprint Test and Math Playground

9:35-10:10 - Sprint Test and Math Playground

10:10 - 10:30 - Break

10:30 - 11:05 - Team Test and Leapfrog

11:05 - 11:30 - "Extreme Math" Problems

11:30 - 11:45 - Ribbons

### REGISTRATION INFORMATION

- ESU #3 will supply calculators and pencils, schools may choose to bring their own.
- School permission slips and all school field trip requirements are in effect.
- One adult sponsor/teacher is required to attend with each school represented.
  - The adult sponsor/teacher will be asked to be a participant in supervision and correcting student papers from the morning.

### Number of Students-

40-120

### Grades-

We have separate events for 5th-6th grade and 6th-8th grade

### Cost-

If you would like to hold your own event there is a flat fee of \$200

If you are signing up one or more teams the fee is \$35 per team

### Amount of Time-

Half day

### Where is it held-

Usually held at ESU #3, though we can come to your school if you have the space to host a large event. We will need at least 3 rooms, one of which needs to be large enough to hold all participants. We would also need that room to have a projector.
