---

January 2026

Dear Parents:

All current 5<sup>th</sup> graders will be completing registration for their 6<sup>th</sup> grade school in early 2026. Please review and complete the 6th grade Course Selection sheet attached below. All sixth grade students will be automatically scheduled to take math, science, English and social studies as mandatory courses based on current classes. All honors placements will be reviewed in June 2026 for final placement. [Parcels Honors Criteria link](#) .

All 6th graders receive the rotational elective hour which includes Lifeskills, ELA Extension/Communications, and Physical Education.

Your child will only need to select **two elective classes**. **Elective classes are every other day and when combined equal a full year class.** Click on the [Middle School Program of Studies](#) and review course descriptions.

As you review the elective class registration form with your child, please guide them as they make their choices and sign the form. *We will make every effort to honor your choices; however, please be aware that students may receive some, but not necessarily all, of their elective course choices.*

**Your child must return the registration form to their SCIENCE teacher or Homeroom no later than Thursday, January 22, 2026.**

Sincerely,

Amy Macey (A-K)
