

CAST PARTY

The cast party will take place following the strike (tear down of the Haunt as well as the putting away of materials used) on 11/1/2022 in the Leigh High School Parking Lot B. It consists of food and a movie in the theater and is meant as a fun bonding and destressing activity. Typically it runs from 7:30-9:30pm (depends on the length of the movie) While the cast party is not mandatory to attend it is meant to be a fun experience for all and is highly recommended. Please bring blankets and pillows as students will be sitting on the concrete steps of the house, and on stage.

Party rules

- 1) Treat your fellow cast, tech, and band members with respect.
- 2) Agree to conduct myself in a manner that will represent myself and Leigh Theater Arts in a positive manner.
- 3) No outside guests. Cast and crew only!
- 4) Once you leave the party, you may not return.
- 5) Eat in only designated areas (We will allow the food in the PAC, but in a controlled fashion.)

This party will be chaperoned and you're celebrating your maturity and success...let's not ruin that at the cast party.

There will be a raffle as a thank you for all of the hard work. You must be present to win.
