Sub: Regarding loss of Sim Card and Mobile phone.

Respected Sir

I am writing this letter to report the loss of my sim on 09/11/2024 from SURANKOTE.

It was a Andriod 5G series mobile phone bearing an IMEI number IMEI 1 865730061893786 & IMEI1 865730061893794 and serial number 48879/X4PFO1101. The phone is BLACK in color and has a BLACK textured cover. The phone has a SIM and the number is 9797444939.

The purpose of writing this letter is to kindly register the loss of sim complaint and take necessary actions to locate it and recover it. I will also be needing a copy of this complaint as I need to submit it with the service provider so that my number can be blocked in order to prevent any SMS abuse.

Thank you in advance.
Sincerely,

Name:-
