### ISLAND OF LUCK

Go to the Emerald Island.

Reward: 100

*Shh... Hush! Do you hear that?*

*Bang, bang, bang.*

*I hear hammering. Sounds like someone's working.*

*Oh, please, who's working here?*

*Maybe someone should... Houses are falling apart, snakes are slithering in...*

*And heather won't grow. What's a party without heather drink?*

*Believe me, I'd fix it all myself...*

*Then do it.*

*No, just believe me I'd do it.*

*Please, let's find the source of that noise. It's been banging in my head all day.*

*Those fairies! Unbelievable! They want right shoes!  
 Let them find some other fool...! I mean, leprechaun.  
 I specialize in left shoes!  
 We haven't found a four-leaf clover yet, but luck is definitely on our side.  
 A leprechaun shoemaker! What's the legend – three wishes or a pot of gold?  
 Unbelievable! What wishes? I'm too old for that nonsense.  
 You refuse to grant wishes? What's your name?  
 Golden Finn... But not because I have gold.  
 Oh, really? Your choice, Golden Finn – either grant three wishes or hand over the gold.  
 Unbelievable! Find, follow me. I'll show you where the pot of gold is buried.*

## SLY LEPRECHAUN

*This daisy field is where my gold is hidden.*

*Oh, good! Then let's start digging.*

*Unbelievable! Do you have a shovel worthy of such treasure?*

*So we need a special shovel too. Find, take us to it.*

*Slow down! I've held up my end of the bargain. You find the shovel.*

*How do we know which daisy bush your treasure is buried under?*

*You tie a ribbon on the right bush so we can find it later.*

*No problem! Golden Finn never cheats. You'll get your ribbon.*

*Oscar, if we're not talking about a ull pot of gold, maybe we should drop this...*

*There's more than enough gold. They don't call Finn Golden for nothing!*

## MAGIC DIGS

*Where have you been?  
I was hoping you'd stop this scoundrel in time.*

*Dear fairy, don't worry. We've made a deal with Golden Finn.  
Yeah, he tied a ribbon on the bush where the pot of gold is buried.  
There's your bush! Finn tied ribbons on every daisy in this field.  
You won't get the gld – just like I didn't get my right shoe.  
But there's still hope! Magic pollen will make the bush with the treasure glow.  
Leprechaun gold never comes easy, does it?  
Nope... I wish we'd just done it the old-fashioned way – run to the end of the rainbow!*

*Last time I picked this many daisies, it was for Ann.*

*A bouquet for the girlfriend?*

*Oh, no. Ann's my sister.*

*She needed the daisies to find out if Patrick loved her or not.*

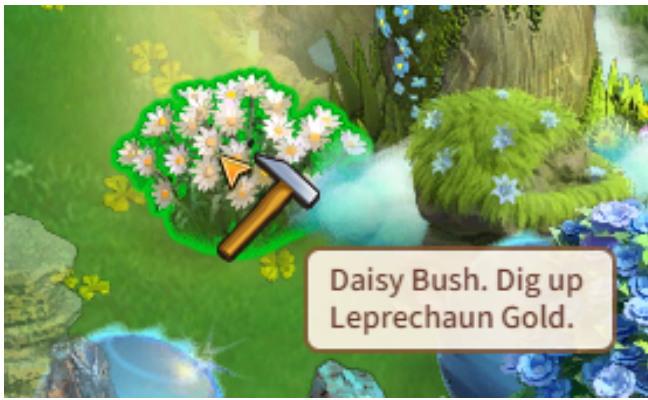

*And? What did the flowers say?*

*The fortieth daisy told her he did.*

*Think they'll tell us if we'll find the leprechaun gold?*

*Of course we will!*

*Hopefully not on the fortieth try.*

*What do you call this situation?*

*We didn't find our pot of gold because someone took it first.*

*Was it robbery or deception?*

*Both.*

*Seems Golden Finn isn't as careful as we thought.*

*He left a trail of coins.*

*Oh yeah! Look how shiny they are.*

*Let's follow the gold and track down that sneaky leprechaun!*

*They say leprechauns are hard to find.  
And easy to lose.  
And impossible to forget...  
Well, at least we found some coins.  
That means Golden Finn didn't hold up his end of the deal.  
He had to grant three wishes or give up the pot of gold.  
Then what kind of leprechaun is he? We should take away his magic.  
Or catch him again – one last time!  
Leprechauns love four-leaf clovers. But where do we find one?  
We'll build our own clover and lure Golden Finn out.*

## TEMPTATION

Place the Bait Parts and ask Oscar Shamrock to check it.

Reward: 3  , 5

*Look at that! What a beautiful clover.  
All shiny and shimmering!  
I have to take it apart and put it in my pot.*

*To put it in my pot and give it to my new best friends.*

*Stealing from us made us friends?*

*Best friends, actually...*

*I couldn't give my dear friends an incomplete pot of gold! I was ashamed.*

*So I took it back to fill it to the brim with gold.*

*That's great! Now hand over the gold. Finn, there's something shiny on your cheek.*

*Those are tears of joy...!*

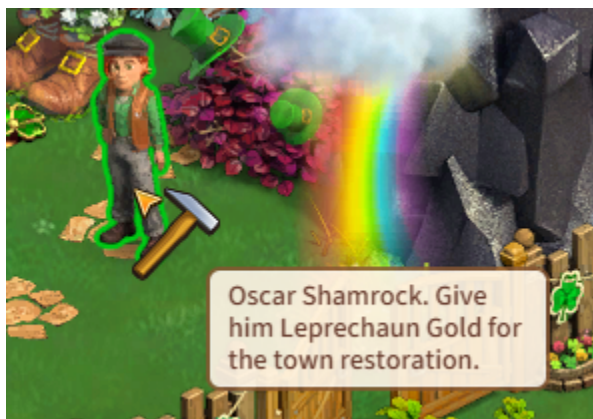

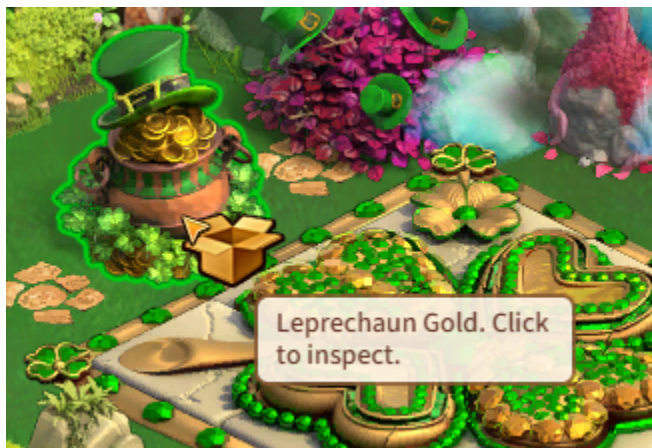

## THE PLAN WORKED

Give Leprechaun Gold to Oscar Shamrock on the Emerald Island.

Reward: 2

*What are your plans for my gold?*

*We'll rebuild the houses and get rid of the snakes on the Emerald Island.*

*And we'll build you a bookstore so you can tell stories to everyone.*

*Oh, I love that idea!*

*That's what worries me. We'll drink it, fall asleep...*

*And you'll rob us blind.*

*I used to be mean, but now I have my own bookstore.*

*I sell books and tell stories.*

*And I've invented so many legends about leprechauns...*

*I can't wait to hear them!*

*Then let's begin! Once upon a time, there was a leprechaun...*
