

The piston group

Consider the parts of the piston's structure. Mark in the picture:

- 1 - the bottom of the piston
- 2 - the combustion chamber
- 3- the guide part (skirt)
- 4 - the sealing part (head)
- 5 - the lugs
- 6- grooves under the retaining rings
- 7 - the retaining rings
- 8 - the piston pin
- 9 - the compression rings
- 10 - the oil-changing rings
