2024 _

“We should not focus on the books that are already written, we should focus on the empty pages.”

-Me

“An obstacle is only an obstacle if you're affraid of the jump. “

-Me

“The best stories are the onces you write and experience yourself”

-Me

“If you master your thoughts you master your life

The present is called present because that's what you're supposed to be, present, aware and grateful seeing life as the present and gift it is.

The past is called past because that's supposed to be seen as challenge past, check past,
memories past, trials past,
Its gone, its past, its done, its no more here.
So don't focus, neither get stuck in it
just release it and move on.

Your Future is bright
If you learn this simply thing about life “

-Me

“Don't let your doodles of the past stop you from drawing your own masterpiece of the future “

-Me

“There is always enough for all of us, because god loves us”

-Me

“I'm exactly where i'm supposed to be
Our sight is empowered by own believe
Truth is hidden in what we seek
Meaning is found in the word we speak”

-Me

“To change something you need to be aware of it”

-Me

“There's always a solution nearby, otherwise the problem wouldn't be there.
A Problem cannot exist without the solution.
A 0 cannot exist without a 1.
So let's not dwell on the 0 but focus on the 1. “

-Me

“Freedom is when you can express yourself and just be yourself
Not having to fit in any norm
Not bothering
so much what others think”

-Me

"The least you can do is survive

The best you can do is create

Living is in between"

-Me

"Everything is build with intention

Has its place to be here

A reason behind

Everything serves the lord.

You don't have Your name randomly it got chosen.

Your interests are not random, you choose them.

Your words should not be random, you should choose them."

-Me

"money stays where conscious choices are made"

-Me

"A challenge cannot stay when you're grateful."

-me

"You never know what kind of miracles await you tomorrow "

-Me

"If you master your thoughts you master your experience

If you master your habbits you master your personality

If you master your priorities you master your productivity

If you master your energy you master your results"

-me

"I wonder how many times you have the answer of your question already present inside of you or in the room but simply are not aware"

-me

**“Everybody dont get what they deserve
Everybody gets what they belive they deserve”**

-me

***“ask for light, not to gain but to understand and become; embody the truth and become the light, follow the flow and
you will know”***

-me

“ god has a plan for each of us if we start to accept ourselves rather then reject

**If we start to belive rather then fear
If we start to love and not hate
Then I belive we become aware of our fate”**

-me

“if you do something out of love, its not work it turns to passion”

-me

**“Work is when you follow tasks and loose energy, Passion is when you create and follow your
heart and gain energy “**

-me

“if you stay in your routine your mind wont be able to make new connections and grow

**dont turn into a routine,
become a master “**

-me

“Life is not something you plan ahead, you ride it like a wave 🌊🏄”

-Me

“You should not messure sucess by money or happiness, but the level of graditude”

-Me

“Money is a Tool for Creation”

-Me

**“Sometimes it doesn't need a change of place
But a change in perspective “**

-me

“All you gotta do is believe and don't doubt”

-me

**“what you focus on is what you experience. If you dwell on trauma and speak about it as if it's
still controlling your life, it continues to hold power over you.”**

-me

“Success is permanently
Failing is temporary

Walking is permanently
Falling down as baby is temporary

Don't get discouraged by past efforts or outcomes, recognize every day brings new opportunities”.

-me

**“ There is something so magical about when was once was a dream a idea or theory turns to
reality a fact and physical”**

-me

“it's not entirely important where you going
but that your going
keep moving forward”

-me

“love is divine and something that cannot be defined by gender but by appreciation”

-me

“time is never wasted when you wait
only when you think, that you wait”

-me

“there is no right or wrong, only choices and growth”

-me

“do not feel bad when someone doesn't see your value

because god does,
and you should so too”

-me

"Intuition is not instinct. Instinct is cavemen knowledge. Intuition is genius wisdom."

-me

"Life is like a videogame: coded, intentional, programmed."

-me

"An ordinary person sees what's obvious; an extraordinary person sees what's deep embedded."

-me

"God is the interconnectedness of everything, that's what it translates to if you translate the name and word."

-me

"Instinct is based on external information; intuition is based on internal information."

-me

“external noise and comments are impermanent but what you can create build and embrace in your life is permanent”

-me

“I express myself then I find answers it's less about getting or answer from somebody else but but more to realize what I already know on a spirit level, because knowledge is not gained but attracted, we simply become aware of what we already know on a spirit level”

-me

“Luck is something you tap into when you smile”

-me

“when you smile the world smiles back”

-me

“if you build awareness around everything that you are thankful for you see the world in a different perspective and you tend to attract even more to be grateful for”

-me

“we suffer because we choose to suffer
it starts in our mind and thoughts and radiates outwards to our behavior and actions and coming attractions”

-me

“you attract experiences and things based on the relationship you are in with yourself, not entirely everything but the recurring themes or habits”

-me

“people who find themselves old judge others
older

people who find themselves young judge others younger”

-me

“What you do in your mind determines the outcome. Nothing else.”

-me

"When you are positive you tend to see how things will always work out somehow. When you're negative you tend to see how things will always go wrong somehow."

-me

Random poetry quotes from me 😊

"I do see a door, a passage, a way through, A wooden escape to a world beyond. Through a door of wood and textures and steel, With handle and ancient luxury appeal."

-me

"I see a town inside a cave,
waterfalls, and shivers with purity and grace.
It's colorful, it's vibrant, and vast as the sky.
Beauty behold, rhythm and light.
I see a cobblestone floor and a city at night.
A marketplace where people do sing, live and strive.
Colors are bright, hallways are wide.
Here is the heart, where all begins."

-me

"In my room of imagination,
I see a castle from within,
And he is on a table,
Formed with stone, and pillars of wisdom and able."

-me

2025

☀️ "if you are not yourself;
Who is supposed to be yourself if its not you?"

-me

"being rich means acting out of alignment and not lack"

-me

"a rich person doesn't need validation
validation needs a rich person."

-me

“being rich has nothing to do with money
but everything to do with freedom and choice”

-me

“don’t control others control yourself”

-me

“I am a student and life is my teacher”

-me

“Life is not against you, but always for you. So the only thing that is limiting you is
negative ways of thinking.”

-me

“the one who judges another and is rude to others; is not accepting oneself and
often rude to oneself and another”

-me

“if you speak the language of needs you always lack something, if you speak the
language of wants and cans you always have more than enough”

-me

“an ordinary person needs something and does something for it to achieve it
an extraordinary person doesn't need anything and but want and can have and
already has everything”

-me

“the one who is affraid of the unknown will aways life in a cave, cage or own build
prison the who one who is fearless is limitless, exploring and building extraordinary
things with vision and meaning, reason and intention”

-me

“in a universe that works perfect by intention

there are no mistakes only detours or delays or challenges and learning and growth”

-me

**“forget about need
use your can
to reach your want”**

-me

“the one who lacks
something sees a empty fridge

the one who doesn't
a world of endless possibilities”

-me

“**fire** is the desire for **change** and or **creation**

water is the source for **healing** **comfort**

we shouldnt be afraid of **fire** or **change**

neither be attached to **comfort** ”

if we balance **fire** and **water**
what we get is **progress** and **solutions**

-me

“There is not only one way of doing something,
But an abundance of ways and paths
To get you where you want to be.

You don't need to explain to the math teacher
How you calculated it, if the result is right.

Your uniqueness should be celebrated,
Not hidden.”

-me

“We express something;
by doing so we become it.”

-me

“When you need to lock a door; to feel safe, it causes you to never feel safe and go out. If you don't even need a door, or a lock you know that you're always safe wherever you go.”

-me

“you can't force a negative mind to be more positive that's trying to beat fire with fire but inspire and encourage and embody the results of it”

-me

“I might do not know all answers of the universe, but I know its fucking wise 😊”

-me

“I do not know what the future holds, but I know its going to be fucking awesome”

-me

“you don't need school or anything from anyone. if you do what you love you get naturally beyond good at it, if you don't settle for less than what ignites your heart and soul and spirit. Play football, sing songs, draw pictures, fly planes, create cars, clean homes. do whatever you love but do it with passion and love.”

-me

“money is like wood, a resource not to burn, but to craft a foundation and always have fire”

-me

“Why dream when you can live?

Why think when you can live it?

Why listen to every word when you can ask questions?

Why prosper others when you can prosper yourself and overflow naturally into the lives of others and prosper everything around you?

Why chase love from others when you can love yourself?

Why buy so many things when you know that you're whole?

Why ask for help when you can ask for guidance or look around?

Why settle for less when you can have the best?

Why be fearful and small when you can be limitless and bold?

Why live in a cave when you can live in a castle?

Why live unaware when you can live intentionally?

Why focus on others when you can only control yourself?

Why chase when you can attract?

Why be afraid and fearful when you can be bold and confident?

Why think of problems when you can think of solutions?

Why be angry when you can smile and let go?

Why compare a person with another when every person is unique with a unique fingerprint and dna?

Why use the past to calculate the future when you can be present and observe and learn and grow?

Why learn from textbooks when you learn from questions and experiences?

Why compare when everything is unique?

Why bring the past into the future when everyday's a new beginning?

Why need to be right with every detail, when life, intelligence and insights are fluid?

Why have routines and habits when there is a conscious choice ?

why run on autopilot and habitual npc behavior when you can be aware?

Why be afraid and fearful of the unknown rather than curious and open about it?

Why feel shameful and bad about your body when it is your body and a gift and
devine?

Why see sex as taboo when it's caused by appreciation and love and is as natural as
pooping or eating and part of being human?

Why dwell on problems when you can appreciate things?

Why be attached to things when there is an abundance of it?

Why be angry when you can forgive?

Why think of lack when you can be grateful?

Why feel sorry when you can learn from everything?

Why follow the norm when you can reinvent it?

Why be afraid of others when you can trust, encourage and believe in yourself and
in others?

Why be an NPC programmed by external sources when you can be alive?

Why follow the ordinary path when you can become extraordinary?

Why go to school when you can learn every skill and focus on learning what truly interests you and thrives you?

Why hate when you can love?

Why fear when you can believe?

Why pain when you can release?

Why panic when you can relax?

Why be influenced when you can be a positive influence?

Why get controlled or consumed and need to control others when you can control yourself?

Why pay to study when you can buy books and read?

Why read the news and get consumed by fear and anger when you can Google what good things are about to happen and get excited with gratefulness?

Why dwell on the problem when the solutions exists?

Why depend on others when you can do it yourself?

Why let somebody else or something else write your story when you are the one who moves your hands no one else?

Why consume when you can create?

Why live in darkness when there is sunshine?

Why not try and see where it goes?

Why have fear when you know that it's an illusion?

Why stay in the familiar and known when you can explore the unknown?

why live an ordinary normal life when you can live your life?

Why fear when you can observe?

Why be insecure when you can be secure?

Why lock the door when you can leave it open?

Why follow one path when there is an entire world to explore?"

-me

"awareness is the key to understanding"

-me

"reality, life and existence and
pure intelligence is fluid
and adaptable like water"

-me

"when you focus on what you truly want,
you figure out, you don't need anything."

-me

"when you look at what other people do, you tend to do the same thing; when you
look at what other companies are doing, you tend to do the same thing when you
look what you can do you tend to do something different, a natural result of
yourself, like self expression"

-me

"An intelligent person sees, its not
required to know everything; but how to understand everything."

-me

"The more questions you ask, the more aware you become"

-me

“You can change; everything from how you think, act and react even your emotions, and habits, your energy, results, behaviors and routines and upcoming attractions with a piece of paper and a pen”

-me

“books are based on knowledge, asking questions is based on your essence”

-me

“when you see with your mind; not your eyes, that's where the truth lies”

-me

“self expression , is part of creation; it's part of our essence and existence”

-me

“the only limits that exist, are the ones we place upon ourselves”

-me

“Whatever we understand, we influence reality or seek or know

we are truly capable of achieving by being. “

-

“ask more questions be more present”

-me

“ be yourself
your true self
boundless self
beyond ordinary self
beyond fear and illusion self
beyond anger and complaints
self

beyond small self
beyond shameful self
beyond guilty self
beyond sorry self

be your true self
your best self
be your beyond self”

-me

“if you think and focus upon solutions,
you figure that fear itself is just an illusion”

-me

“when you seek something outside, you lack it on the inside.

when you have something inside, you can have it on the outside.

not everything that you have inside.
you will see the outside, since god only prospers good.”

-me

“a problem is only a problem if you interpret it as a problem”

-me

“Belief is what empowers you to take action, be healthy, be whole, be the person
that you want to be, because you choose to be and know you can be, and to be,
rather than needing to be, or somebody else says you are .”

-me

“The richest person is rich because he wants and chooses to be rich.

He wants to live.
He wants to thrive.
He doesn't have need,
he doesn't lack.
He doesn't have anger,
he doesn't feel pain

he shifts everything into solutions and a big self.”

-me

“truly rich people are not rich
because of what they have
but because of who they are”

-me

“success is not found externally
but internally”

-me

“nothing works randomly
everything works intentionality”

-me

“rain can be good; rain can be bad
but at the core, it simply exists
designed with intention and purpose
like everything in this entire universe”

-me

“A person who is truly aware shapes reality.”

-me

“If you are able to find comfort in the discomfort, that’s where the power lies.

If you find peace within the chaos, that’s where power lies.

If you are able to smile when even there is negativity, that's where the power lies.

If you are able to feel familiar even in the unfamiliar, that's where power lies.

If you are able to be grateful even when challenges arise, that's where the power lies”

-me

“True Power is awareness, freedom and choice.”

-me

“ You can compare visionaries with farmers. They plant seeds, who over time grow into fruits of labor. 😊”

-me

“What if the holy grail was never a cup but a vessel and a different way of being?”

-me

“Innovation is Exploration in a advanced state ”

-me

“ People who live in fear, they live with illusion, they live in fog. But as soon as they break illusion and fear the fog dissolves and disappears , you tap into higher understanding, and higher abilities, and higher perspective “

-me

“Fear is what keeps you small.

Faith is what makes you big.

Fear is what is living in fog.

Faith is what is living in clarity.

Fear is what it's like to live in darkness.
Faith is what it's like to live in clarity and light"

-me

"if a person does not confirm, he creates a something new
if a person doesn't react to external things the external things reacts to his inner
state

if a person doesn't follow the ordinary path he creates a own path and becomes
extraordinary

if a person has no fear, he is purely alive
if a person sees beyond mental fog the ego perception and illusion
he becomes clear and a solution "

-me

"you don't have to be right with everything
it's about making progress and not about getting stuck in the details"

-me

"Fear makes you hold on to things over decades.
Faith is when you realize that you don't need anything or anyone.

Fear is when you try to travel with your entire house
Faith when you travel with water and some food and just yourself."

-me

“Nothing is needed, no one needs anything, but some things are required for a good life.”

-me

“No time for depression.

Let your inner friendly Hulk violently throw unicorns, rainbows, and sunshine at your depression, until depression has no other fucking chance but to smile.”

-me

“ without a challenging start; there would not be a exciting future ”

-me

“Fear and anger
may try to turn off your light,
but a soul anchored in gratitude
is alive and pure light.”

-me

“Don’t see a woman as your home.
Don’t see your house as your home.
Don’t see your family as your home.

Home is everywhere and can be anything you want it to be.

You are truly home when you feel at home with yourself.”

-me

“Even if you’re far away from home, but keep the feeling of home with your body and soul, you will realize that you’re never alone.”

-Me

“It’s important. You can sometimes maybe feel anger or fear or feel deep emotions , but it’s different from being. It’s not your being. It’s what your feeling .

It’s not who you are. It’s not who you stay. It’s just a feeling that goes away.”

-me

“What if the future is already created? What if the path you’re walking is not something you’re forging, but simply the path you’re taking?”

-me
