

Criteria	Met (2 points)	Almost Met (1 point)	Does Not Meet (0 points)
Relevance to Conference Themes	The proposal fully addresses research that serves the community and strongly connects with the central themes.	The proposal is somewhat aligned with the theme, but lacks depth in addressing these areas.	The proposal does not address the theme.
Practical Application for Educators and Practitioners	The proposal provides clear, actionable strategies for educators and practitioners, with each presentation contributing insights for practical implementation.	The proposals offer practical takeaways for educators, but these are limited or underdeveloped.	The proposal lacks practical insights or strategies for real-world application.
Potential to Inspire Dialogue and Social Change	The proposal is highly likely to foster critical engagement, empathy, or civic-minded dialogue around research that serves the community.	The proposal has some potential to inspire dialogue or promote social change, though overall depth is limited.	The proposal is unlikely to prompt meaningful discussion or engagement.
