Placement shall be determined based on the student's best interest.⁵ At all times, a strong presumption that keeping the student in the school of origin is in the student's best interest shall be maintained,

unless doing so would be contrary to a request made by the student's parent/guardian or the student in the case of an unaccompanied youth.⁶ When determining placement, student-centered factors, including, but not limited to, impact of mobility on achievement, education, health, and safety, shall be considered.⁶ The choice regarding placement shall be made regardless of whether the student lives with their homeless parent(s)/guardian(s) or has been temporarily placed elsewhere.⁷

If it is not in the student's best interest to attend the school of origin or the school requested by the parent/guardian or unaccompanied youth, the Director of Schools/designee shall provide a written explanation of the reasons for the determination, in a manner and form that is understandable to the parent/guardian or unaccompanied youth.⁶ The written explanation shall include a statement regarding the right to appeal the placement decision.⁶ If the placement decision is appealed, the school district shall refer the parent/guardian or unaccompanied student to the homeless coordinator who shall carry out the dispute resolution process as expeditiously as possible and in accordance with the law.⁸ Upon notice of an appeal, the Director of Schools shall immediately enroll the student in the school in which enrollment was sought pending a final resolution of the dispute, including all available appeals.⁸
