Course Overview:

ML Intermediate is a year-long course with an emphasis on reading comprehension and writing skills. Instructors use a specialized curriculum with whole-group instruction, small-group instruction, and individualized computer components to help improve reading and comprehension skills. This year, students will also have extensive instruction in the area of writing to improve their skills. Students receive credits and complete English I requirements, including a short story unit, novel unit, research project, and *Romeo and Juliet*/Shakespeare unit.

Grading Components:

Classwork/Homework/Participation	25% --includes assignments given in class and for homework, preparation, and participation in class discussions
Minor Assessments	35% --includes quizzes on vocabulary, grammar, and other material taught in class
Major Assessments	40% --includes up to four written and computer-based assessments and projects

Our Class Rules: DO WHAT IS RIGHT.

Responsibility: • Be prompt. • Be prepared. • Be proactive. • Be productive.	Respect: • Be polite. • Be positive.
---	---

All other school rules, such as late-to-class, dress code, and honor code, will be enforced as dictated by school and district policy.

Cell Phone Policy

Cell phones and earbuds are not permitted in school. Students should power them off and place them in the pouch. If a cell phone/earbud is seen, it is an automatic call for an administrator.

Student Success/Achievement:

Students who attend daily, participate in activities, read independently, engage while on computer activities, and complete all assignments generally find success in this course. Additional help is also available in room H10 during Mustang Time and after school.

- Mr. Marciano is available during Mustang Time on A and D days.
- Mrs. Roberts is available during Mustang Time on A and D days in B7.

Materials needed daily: folder, notebook, writing utensil, and charged Chromebook.

We look forward to a successful year!
