

# Cause and Effect

- Purpose:** Document a single cause with multiple effects
- Instructions:** Write the 'cause' in the box, then write each 'effect' in a circle (add extra circles as needed). Write a reason for each effect.
- Access:** Double click on the text box. It will open in "Google Draw". Type your answer, click "Save and Close" when you are finished. Note: If you make any mistakes, click "Ctrl + Z" and it will undo the typing.

Add more effects as needed

Write how the cause and its effects are correlated/related below:
