Steve Dewey has been teaching parenting classes in the community for the past 27 years. He is well known for his ability to use humor and fun stories to make his parenting classes easy to understand so that participants are able to implement the interventions immediately and successfully. The parenting classes will be for parents of children of all ages.

Parents that have taken classes from Steve Dewey have said:

"This has been the best thing we have ever done to improve our family and increase the peace and love in our home."

"I wish I would have taken classes from Steve when my kids were little so that we would have enjoyed our kids so much more."

Some of the topics that are covered in the classes include:

- Getting children to follow directions.
- How to set up boundaries in the home so that relationships grow and develop.
- Helping kids complete chores.
- How to help kids be responsible at home and at school.
- Helping parents to respond calmly and rationally with consequences that will eliminate behaviors rather than getting angry and aggressive.
- Setting limits with children to balance their time with activities such as videogames, cell phones, friends, TV, school, chores, dating, toys, etc.
- How to solve defiant behavior.
- Dealing with drugs, alcohol, tobacco, vaping, sex, sexting, bullying, and aggression.
