I hope you are ready to start the game,
The hunt is for pride and fun and fame.
The medallion you seek is not easy to find,
The process of looking can be a grind.
Call the paper and strike up the band,
Because finding the medallion will feel so grand!

Clue #2 - Tuesday, January 31st

Upside downside inside outside
Where could the blue medallion hide?
The weather this week is very cold,
It's likely that searching won't be that bold.
If you need something to get you moving,
Tracey Lawrence had some lyrics that were grooving.
Think about what that could mean,

Consider a place that is rarely seen.

Now you are close to getting into the game.
