Parents/Guardians

It's the time of year when we want to celebrate those who have been teaching our children this year. Some of us don't know what those teachers and support staff really want. This year, the PTA has put together a wish list from the building's teachers and other support staff. Please use this as a guide to honor the educators and staff in the building. (This is just a guide. The PTA will not supply these items.)

- Treats for the teacher.
 - Flamin' Hot Cheetos, Orange Vanilla MIO, Target gift card, Amazon gift card
- Items for the classroom.
 - Paper Mate Ink Joy gel pens, Expo Vis-A-Vis Wet-Erase markers, hand sanitizer, small rewards (candy, stickers, erasers, bookmarks, etc.)
