Time	Teacher	Resources
5 mins	Set up the video to watch. Students seated on the floor.	
5 mins	<p>Introduction:</p> <p>Introduce the topic - Around the House 2 This time with 'Around the House', our signs relate to the bathroom and laundry. All our bathrooms and laundries will differ, but many will have the same items in them, so these are the signs that we've chosen for this lesson. Some people love the bathroom and so, many families have a 'bathroom hog', someone who is always in the bathroom! Who is your family bathroom hog? Your brother or sister, or perhaps it's you! If you're lucky you might have 2 bathrooms, so it's easier to share, or you might have 2 basins and a large mirror. Whatever your bathroom or laundry is like, we really need them in our homes to clean ourselves and our clothing. Learn and practise the signs and maybe you could describe your own bathroom(s) using Auslan.</p> <p>(Start of Lesson)</p> <ul style="list-style-type: none"> • Read and discuss the Learning Intention and Success Criteria. • Check for understanding, clarifying vocabulary as necessary. 	
10 mins	<p>Explicit Teaching: Watch the video</p> <p>Use teacher discretion to decide if the class needs to watch any part of the video a second time.</p> <p>Signs taught this lesson: Bathroom, mirror, toilet, sink/basin, laundry, towel, washing machine, shower, bath, tap, clothes line, clothes basket.</p>	Lesson 33 video
5 mins	<p>Explanation of Activity:</p> <ul style="list-style-type: none"> • Practise the signs taught today. • Students draw a quick sketch of their bathroom, including the items - bath, shower, (if they have both) basin, tap, 	

	<p>sink/basin, mirror, towel or even toilet if it's in their bathroom. As they draw, practise the Auslan signs for these things.</p> <ul style="list-style-type: none"> Return to the class group. The teacher will ask some students (depending on available time) to use Auslan to share with the class about their bathroom. They can use the signs taught, numbers and perhaps colours. <p>Alternative/Additional Activity: Pac Man: The students spread around the room. The teacher signs one of the taught signs. First to put their hand up and answer correctly, can step toward another student. Aim of the game – when you get close to another student and tap their shoulder they are out. Last one standing wins.</p>	
15 mins	<p>Activity:</p> <ul style="list-style-type: none"> Practise the signs taught today. Students sketch and describe their bathroom with signs taught, numbers and colours. and/or Pac Man activity. 	
5 mins	<p>Reflection with Students: (Select from the following options)</p> <p>Use Auslan to share about your bathroom and Laundry at home:</p> <ul style="list-style-type: none"> How many bathrooms do you have at your house? (sign: bathroom 2) Could you sign about your bathroom - the colour of the walls (sign:bathroom colour green), how many mirrors? Do you have both a shower and a bath or just a shower? Is your laundry separate or in the bathroom? Perhaps your toilet is in the bathroom. Does your family have a washing machine or do you go outside to a Laundrette ? Many families have an outdoor clothesline, but not all. This could depend on whether you live in a flat/apartment or a house.
