IV. PROCEDURES					
A. Reviewing previous lesson and presenting new lesson	Let the pupils sing the song “HARANA SA bUKID“. Ask the pupils to pass the ball following the rhythm of the song	Review the concepts on the use of software Commands, menu etc..	Review the previous lesson		
B. Establishing a purpose for the lesson	Today, we are going to describe the 4 4 signature	Are you familiar with this art?	Today you are going to play tatsing. Why Tatsing ?		

		 <p>Today, we are going to create your own logo, using pixel art</p>			
<p>C. Presenting examples/instances of the lesson</p>	<p>Present the song Bumalaka ay Buwan</p>  <p>What is the time signature of the song ?WHAT is meant by the upper 4 ?, the lower 4 ?What are the notes and rests used in the song? What is the value of the quarter note/rest , half note/rest ? How many beats are there in each measure of the song ?</p>	<p>Have a short discussion on the history and processes of pixel art</p> <p>A History of Pixel Art</p>  <p>Pixel art is a form of Digital Art, created through the use of raster graphics software, where images are edited on the pixel level.</p> <p>Graphics in most old (or relatively limited) computer, console, graphing calculator and mobile phone video games are mostly pixel art.</p> <p>A History of Pixel Art</p>  <p>The term Pixel Art was first published by Adele Goldberg and Robert Flegal of Xerox Palo Alto Research Center in 1982. The concept, however, goes back about 10 years before that, for example in Richard Shoup's SuperPaint system in 1972, also at Xerox PARC.</p> <p>Some traditional art forms, such as counted-thread embroidery (including cross-stitch) and some kinds of mosaic and beadwork, are very similar to pixel art.</p> <p>These art forms construct pictures out of small colored units similar to the pixels of modern digital computing.</p>	<p>Feel the pride of being a Filipino with Tatsing. This game promote healthful lifestyle. Furthermore,they promote: patriotism(to feel the pride of being Filipino) Bonding(to build bridge of fun and closeness among neighborhood to develop camaraderie with peers) and sportsmanship (to build a positive outlook on acceptance of winning and being defeated</p>		
<p>D. Discussing new concepts and practicing new skills #1</p>	<p>Help the students clap/ tap the rhythmic pattern of the song “Bumalaka ay Buwan “</p>	<p>Remind the pupils of thw Dos and DONTs while making an art work. Provide the class with graphing paper, in the absence of laptop or computer. Demonstrate to the pupils</p>	<p>Make sure to remind the class of the precautionary measures while playing before you let them play the game. (Those who cannot perform the game may serve as scorer or can play as sport</p>		

		how to use the graphing paper in creating a logo	journalist who will cover the game)		
	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	
E. Discussing new concepts and practicing new skills #2	(May use the rhythmic syllables to represent each note in the rhythmic pattern)	Group activity Help the pupils to do the art process. Students who are good in pixel art may assist their peers	Call a pupil to discuss the Mechanics of the game		
F. Developing mastery (lead to formative assessment 3)	Present the song 	ART PRODUCTION	Give emphasis on the value of the game. Make sure that the pupils will bear in mind that the game is never a way of teaching them to gamble but for them to be able to take pride of their culture while enjoying the game		
G. Finding practical application of concepts and skills in daily living	Group activity 1. What is the time signature of the song? 2. What are notes and rests used in the song? 3. What is the value of notes/rests in the song? 4. How many beats are there in each measure Clap the rhythmic pattern of the song		?		
H. Making generalization and abstractions about the lesson	How would you describe the 4 4 Time signature	What should we remember in making a logo using pixel art ?	What skills are develop in the game ?How would you assess your physical fitness after playing the game ?		
I. Evaluating learning	Use rubrics to assess the performance of the pupils	Rubrics Process 50% Product 50%	1.Did you enjoy the game ? 2. Describe the skills involved in the game ? 3.Did you observe safety precautions ? 4. Did you display joy of effort, respect for others and fair play during your participation to the game ? 5.Do you feel proud being Filipino while playing the game?		
J. Additional activities for application or remediation					

V. REMARKS		
-------------------	--	--

VI. REFLECTION	Assessing yourself as a teacher and analyzing the students' progress this week.	
A. No. of learners who earned 80% in the evaluation		
B. No. of learners who acquired additional activities for remediation who scored below 80%		
C. Did the remedial lessons work? No. of learners who have caught up with the lesson.		
D. No. of learners who continue to require remediation.		
E. Which of my teaching strategies worked well? Why did these work?		
F. What difficulties did I encountered which my principal can help me solve?		
G. What innovation or localized materials did I used/discover which I wish to share with other teachers?
