

Dear _____,

I'm writing to introduce you to HOPE Network and invite you to partner with a ministry dedicated to strengthening church leaders and congregations during seasons of challenge, transition, and renewal.

As 2026 begins, HOPE Network continues to receive a growing number of requests for mentoring, coaching, consulting, interim ministry, and leadership support. Each request represents a leader or congregation seeking trusted guidance during a difficult season. HOPE Network exists to meet these needs with faith, wisdom, and care.

Over the past year, HOPE Network Partners served 125 churches and leadership groups, coached or mentored more than 550 individuals, and extended ministry across 24 states and 7 countries—real work with real impact.

HOPE Network is supported by 25 experienced Partners and a dedicated board of 12 leaders, working alongside our President Grady King and our Executive Director Beth Hadley. Together, they are committed to helping leaders take healthy, faithful steps forward.

As a 501(c)(3) nonprofit, service fees cover only about half of HOPE Network's operating costs. The remainder is made possible by individuals and churches who believe in equipping and caring for those who serve the Kingdom.

Enclosed is a brief donor prospectus outlining HOPE Network's mission and the impact donor support makes possible. At the start of this new year, I invite you to prayerfully consider partnering with HOPE Network through financial support and prayer.

Thank you for taking the time to learn about HOPE Network. Together, we can strengthen leaders, support healthier congregations, and make a lasting difference.

With gratitude,
