

Chris Leopard's T.o.S and Prices

—Work—

- You can use any of the wip's i send you as a pfp or such
- I can change some things in your piece only before starting the line art, after that, I won't change anything. (But i can negotiate it if you REALLY want it)
- I will always send you the sketch when I start your drawing and probably a message before I do it
- Send a image of your character and the pose you want, in case you don't find a image for the last one you can provide a description
- I will change only small things like an expression, position of the tail. . .
- I will only talk to one person if it is a multi-person commission, i will not talk with more than one
- I have right to cancel any commission, in such case you will get a full refund or a partial one depending on the reasons
- I have right to use any rejected wip for another commission or YCH
- I don't post every finished artwork
- You are not allowed to edit any of my work without my permission
- You **CAN'T** sell any piece i do for you, it's not for commercial use
- I will not start your drawing if you don't pay me at least half of the total price
- **Do not use any of my art (commissioned or not) in AI training/generating**

—Commissions themes i can do—

(This is based on what I have already done, if your idea is not here you can propose it to me)

| Artistic Freedom | Weapons/armor | Skeletons sonas or related | Blood | Cosplay | Magic/powers | Suggestive | Fanarts | Paws | **NSFW**

—Commission i don't accept—

- ✗ Gore
- ✗ Humans
- ✗ Fetishes like super muscle or obese or any very exaggerated
- ✗ Anything that make me feel uncomfortable

—About Payment—

- I only accept the payment via Paypal
- You can choose if you want an invoice or a link to my paypal.me
- If you can pay before I start drawing, better, if you can't, I have no problem, but i'll not go further than the first sketch
- If you cannot pay all the commission in one payment, we can negotiate it
- If you make corrections after the drawing or sketch is finished, you will be charged a little more depending on the type of change and how late you make it (unless the change is due a mistake i did)

—Other—

- After finishing the artwork i will ask you for your Mail or Telegram to send you a full res archive of it
- Let me know if your commission is for a specific date before anything
- If you have a question or any doubt not mentioned here, Let me know

—Details to keep in mind—

- English isn't my mother language, so explain your ideas briefly and clearly
- I like simple things more than anything else, but I have no problem doing complex things
- I'm a bit slow artist, so keep that in mind, but i will not take longer than a week in finish a piece
- If you want a suggestive commission you can have one with this character  or with my sona. If you want one with my sona keep in mind he's only a top

—Price list and Types—

- An alt version for the piece will cost **\$10** if it's a Cell shaded or a sketch and **\$20** if it's Soft Shaded
- A background in the work will cost **+\$20** depending on details and how complex it would be
- One more character in the work will add +50% to the total price
- The minimun price for the refsheets is **\$100**, (two views, front and back on a sketch render) but will depend on how many views you want and the type of rendering
