Hi there! Thanks for wanting to commission me!!

◦*.\(*'▽`*)/.*◦

I draw in a predominantly cartoony anime-influenced style, and am willing to draw just about anything!

- Original Characters!
- Fan-art!
- Ships! Ships! SHIPS!! OC Ships too!
- Monster girls!
- Monsters & non-human creatures!
- Mecha!
- Gore!
- Cute!
- NSFW!
- And lots more!

If you have a request I can probably make it work!

If you want something NSFW I am open to most fetishes, and won't judge you! I am open to drawing gay, straight, interspecies, anything really! However I do reserve the right to decline if I am uncomfortable with a request

But please do not be afraid to ask!!~ ヽ(´▽`)/♡

Commissions are for personal use! However if you want to use my art for commercial means please tell me in advance, and we can negotiate.

*At the moment I am currently not taking design requests!
