MIDDLE SCHOOL - Supply List

Parents,

- This year we will be requesting tissue, hand sanitizer, and cleaning wipes because they are in such demand that they go quickly throughout middle school.
- Students should bring supplies in two different bags: 1 bag for general school supplies and 1 bag for their personal class supplies. Please label each bag with “school” and “class” in order to streamline the drop-off process.

General Shared List - These are things that all students need to bring and are shared throughout the Middle School. ***Please put these items in a bag separate from class specific materials.***
